**IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE
TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**
(For insurers declared insolvent or impaired on or after September 1, 2011)

Texas law establishes a system to protect Texas Policyholders if their life or health insurance company fails. The Texas Life and Health Insurance Guaranty Association (the "Association") administers this protection system. Only the policyholders of insurance companies that are members of the Association are eligible for this protection which is subject to the terms, limitations and conditions of the Association law. (The law is found in the *Texas Insurance Code*, Chapter 463.)

It is possible that the Association may not protect all or part of your policy because of statutory limitations.

Eligibility for Protection by the Association

When a member insurance company is found to be insolvent and placed under an order of liquidation by a court or designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

- Residents of Texas (**regardless of where the policyholder lived when the policy was issued**)
- Residents of other states, ONLY if the following conditions are met:
 1. The policyholder has a policy with a company domiciled in Texas;
 2. The policyholder's state of residence has a similar guaranty association; and
 3. The policyholder is *not eligible* for coverage by the guaranty association of the policyholder's state of residence.

Limits of Protection by the Association

- Present value of allocated benefits up to a total of \$250,000 on any one life; or
- Present value of unallocated benefits up to a total of \$5,000,000 for one contract holder regardless of the number of contracts.

Aggregate Limit:

- \$300,000 on any one life with the exception of the \$500,000 health insurance limit, the \$5,000,000 multiple owner life insurance limits, and the \$5,000,000 unallocated group annuity limit.

These limits are applied for each insolvent insurance company.

Insurance companies and agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation, or inducement to purchase any form of insurance. Section I – Eligibility, Effective Date, and Termination

Eligibility

A Member is eligible to be covered under this Plan if he is Actively at Work for his employer and included in the class that is eligible for coverage, as shown on the Master Application.

References to Member throughout the Plan documents shall be considered to refer to union members who are Actively at Work for their employer.

Dependents of a Member are eligible for coverage under this Plan. A *Dependent* is:

- The Spouse of a Member, or
- The Dependent Child of a Member or a Member's Spouse (details included in the **Definitions** section).

Insured means a Member or eligible Dependent, if any, who is covered under the Plan in the following categories:

- **Member Coverage** – We insure the Member and any Dependent Children.
- **Member and Spouse Coverage** – We insure the Member, Spouse, and any Dependent Children.

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to Plan coverage are outlined in the Effective Date section.

Effective Date

The Plan's Effective Date is shown on the schedule page. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder's address.

An eligible Member must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He may enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

We may require evidence of insurability satisfactory to us if the amount of coverage applied for exceeds the guaranteed-issue amount, if any, or if we do not receive the Application within 31 days after the Member was first eligible for coverage. Evidence of insurability may also be required based on an agreement between the Policyholder and us.

A Member's Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Member is Actively at Work on that date, or
- The date the Member returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

The Effective Date for a Spouse or Dependent Child is:

- The date shown on the Certificate Schedule if that Spouse or Dependent Child is not confined to a hospital and is eligible for coverage on that date, or
- The date the Spouse or Dependent Child is no longer confined to a hospital (if that Spouse or Dependent Child was confined to a hospital on the Certificate Schedule date) and is eligible for coverage on that date.

A Spouse may be added to the Plan after the Member's Effective Date. To be added, the Member must complete an Application to add his Spouse to the Plan. The Company will assign the Effective Date for a Spouse's

coverage after approving the application. For Spouse coverage to become effective, the Spouse must be included in the premium payment.

Newborn children will be covered from the moment of birth, adopted children from the date the petition is filed for adoption, and step-children from the date of the Member's marriage.

A day begins at 12:01 a.m. standard time at the Member's, Spouse's, or Dependent Child's place of residence.

Plan Termination

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Members is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, or
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Termination of a Member's Insurance

A Member's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date he no longer belongs to an eligible class.

Insurance for a covered Spouse or Dependent Child will terminate on the earliest of any of the bullet points listed above, or:

- The premium due date following the date the covered Spouse or Dependent Child no longer qualifies as a Dependent.
- The premium due date following the date we receive the Member's written request to terminate coverage for his Spouse or all Dependent Children.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

Continuation Privilege

When a Member is no longer a member of an eligible class and his coverage would otherwise end, he may elect to continue his coverage under this Plan. The Member may continue the coverage he had on the date his Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage.

To keep his coverage in force, the Member must:

- Notify the Company in writing within 31 days after the date his coverage would otherwise terminate, and
- Pay the required premium to the Company no later than 31 days after the date his coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the date the Member fails to pay any required premium; or
- The date the Group Plan is terminated.

If a Member qualifies for this Continuation Privilege, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in his previously issued Certificate.

Section II – Premium Provisions

Premium Payments

Premiums for this Plan should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on this Plan’s Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

The Plan’s first Anniversary Date appears on the Policy Schedule. Subsequent anniversaries will be the same date each following year.

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Policy Anniversary Date based on renewal underwriting.
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 60-day advance written notice of any change to a premium.

Grace Period

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan’s termination date will be the latest date for which premium has been paid.

Section III – Definitions

When the terms below are used in this Plan, the following definitions apply:

Actively at Work (Active Work) refers to a Member’s ability to perform his regular employment duties for a full normal workday. The Member may perform these activities either at his employer’s regular place of business or at a location where he is required to travel to perform the regular duties of his employment.

This excludes any non-surgical procedure, such as, but not limited to, balloon angioplasty, laser relief, or stents.

Coronary Artery Disease occurs when the coronary arteries become damaged due to acute coronary occlusion, coronary atherosclerosis, aneurysm and/or dissection of the coronary arteries, or coronary atherosclerosis due to lipid rich plaque.

Critical Illness is a disease or a sickness as defined in the Plan that first manifests while your coverage is in force.

A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

- The Kidney Failure (End-Stage Renal Failure) results in kidney transplantation.

Maintenance Drug Therapy is a course of systemic medication given to a patient after a Cancer goes into Complete Remission because of primary Treatment. Maintenance Drug Therapy includes ongoing hormonal therapy, immunotherapy, or chemo-prevention therapy. Maintenance Drug Therapy is meant to decrease the risk of Cancer recurrence; it is not meant to treat a Cancer that is still present.

Major Organ Transplant means undergoing surgery as a recipient of a covered transplant of a human heart, lung, liver, kidney, or pancreas. A transplant must be caused by one or more of the following diseases:

- Bronchiectasis, which is a lung disease state defined by localized, irreversible dilation of the bronchial tree caused by destruction of the muscle and elastic tissue.
- Cardiomyopathy, which is a heart disease characterized by the measurable deterioration of the function of the heart muscle, where the heart muscle becomes enlarged, thick, or rigid.

- Sarcoidosis, which is a disease characterized by the growth of granulomatous lesions that appear in the body.
- Valvular heart disease, which is a disease of the heart valves.

A Major Organ Transplant benefit is not payable if the Major Organ Transplant results from a covered Critical Illness for which a benefit has been paid.

Malignant Hypertension is blood pressure that is so high that it actually causes damage to organs, particularly in the nervous system, the cardiovascular system, and/or the kidneys. One type of such damage is called papilledema, a condition in which the optic nerve leading to the eye becomes dangerously swollen, threatening vision.

Pathologist is a Doctor who is licensed:

- To practice medicine, and
- By the American Board of Pathology to practice pathologic anatomy.

A Pathologist also includes an Osteopathic Pathologist who is certified by the Osteopathic Board of Pathology.

Signs and/or Symptoms are the evidence of disease or physical disturbance observed by a Doctor or other medical professional. The Doctor (or other medical professional) must observe these Signs while acting within the scope of his license.

Stroke means apoplexy due to rupture or acute occlusion of a cerebral artery. The apoplexy must cause complete or partial loss of function involving the motion or sensation of a part of the body and must last more than 24 hours. Stroke must be either:

- **Ischemic:** Due to advanced Arteriosclerosis or Arteriosclerosis of the arteries of the neck or brain, or vascular embolism, or
- **Hemorrhagic:** Due to uncontrolled Hypertension, Malignant Hypertension, Brain Aneurysm, or Arteriovenous Malformation.

The Stroke must be positively Diagnosed by a Doctor based upon documented neurological deficits and confirmatory neuroimaging studies.

Stroke does not include:

- Transient Ischemic Attacks (TIAs)
- Head injury
- Chronic cerebrovascular insufficiency
- Reversible ischemic neurological deficits unless brain tissue damage is confirmed by neurological imaging

Stroke will be covered only if the Insured submits evidence of the neurological damage by providing:

- Computed Axial Tomography (CAT scan) images, or
- Magnetic Resonance Imaging (MRI).

Sudden Cardiac Arrest is the sudden, unexpected loss of heart function in which the heart, abruptly and without warning, stops working as a result of an internal electrical system heart malfunction due to Coronary Artery Disease, Cardiomyopathy, or Hypertension.

Sudden Cardiac Arrest is not a Heart Attack (Myocardial Infarction). A Sudden Cardiac Arrest benefit is not payable if the Sudden Cardiac Arrest is caused by or contributed to by a Heart Attack (Myocardial Infarction).

Treatment or Medical Treatment is the consultation, care, or services provided by a Doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines.

Treatment-Free From Cancer refers to the period of time without the consultation, care, or services provided by a Doctor. This includes receiving diagnostic measures and taking prescribed drugs and medicines. Treatment does not include Maintenance Drug Therapy or routine follow-up visits to verify whether Cancer or Carcinoma in Situ has returned.

Section IV – Benefit Provisions

Critical Illness Benefit

Initial Diagnosis

We will pay the Critical Illness benefit when an Insured is Diagnosed with one of the Critical Illnesses shown in the Certificate Schedule, and when such Diagnosis is caused by or solely attributed to an underlying disease as identified herein. We will pay this benefit if:

- The Date of Diagnosis is while his coverage is in force, and
- The Certificate does not exclude the illness or condition by name or by specific description.

If an Initial Diagnosis claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

Benefits will be based on the Face Amount in effect on the Critical Illness Date of Diagnosis.

Additional Diagnosis

Once benefits have been paid for a Critical Illness, the Company will pay benefits for each different Critical Illness when:

- The Date of Diagnosis for the new Critical Illness is separated from the prior, different Critical Illness by at least six consecutive months, and
- The new Critical Illness is not caused or contributed to by a Critical Illness for which benefits have been paid.

If an Additional Diagnosis claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

Reoccurrence

Once benefits have been paid for a Critical Illness, benefits are payable for that same Critical Illness when:

- The Date of Diagnosis for the Reoccurrence of that Critical Illness is separated from the prior occurrence of that Critical Illness by at least six consecutive months, and
- The Critical Illness is not caused or contributed to by a Critical Illness for which benefits have been paid.

If a Reoccurrence claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

Partial Benefits

Partial Benefits are payable if the Date of Diagnosis is while the Insured's coverage is in force, and the Certificate does not exclude the illness or condition by name or by specific description.

Non-Invasive Cancer

We will pay the amount shown in the Policy Schedule for the Diagnosis of a Non-Invasive Cancer. This benefit is payable in addition to all other applicable benefits.

Section V – Limitations and Exclusions

Cancer Diagnosis Limitation

Benefits are payable for Cancer and/or Non-Invasive Cancer as long as the Insured:

- Is Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Is in Complete Remission prior to the date of a subsequent Diagnosis, as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

Section VI – Claim Provisions

Notice of Claim

Written notice of claim must be given to us:

- Not later than the 20th day after the Date of Diagnosis, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Member's name and the Certificate number. Notice can be mailed to the Company at:

P.O. Box 84075, Columbus, Georgia, 31993-9103

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

P.O. Box 84075, Columbus, Georgia, 31993-9103

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of the Member's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams or autopsy.

Prompt Payment of Benefits

For benefits other than for loss of time, the Company will, once we receive the required Proof of Loss, pay, deny, or settle each submitted claim not later than the 60th day after the date proof of loss is received. Subject to written Proof of Loss, all accrued benefits payable under the policy for loss of time will be paid at least monthly during the period for which the insurer is liable. Any balance remaining unpaid at the end of that time will be paid as soon as possible after the proof of loss is received. :

Payment of Claims

We will pay all benefits to the Member unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

1. To the beneficiary designated by the Insured or the beneficiary's assignee;
2. To the Insured's surviving Spouse;
3. To the Insured's estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office and signed by the Member. Unless otherwise specified by the Member, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, the Member will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Member, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

The Member cannot take legal action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than three years from the time written proof is required to be given.

Section VII – General Provisions

Entire Contract Changes

The *Entire Contract of Insurance* is made up of:

- this Policy
- the Master Application
- Certificates
- endorsements
- benefit agreements **and**
- riders (if any).

In the absence of fraud, a statement made by the Policyholder or an Insured is considered a representation and not a warranty. A statement made by the Policyholder or an Insured may not be used in any contest under the Plan, unless a copy of the written instrument containing the statement is or has been provided to:

- The person making the statement; or
- If the statement was made by the Insured and the Insured has died or become incapacitated, the Insured's beneficiary or personal representative.

Changes to this Plan:

- Will not be valid unless approved in writing by an executive officer of the Company.
- Must be noted on or attached to the Contract.
- May not be made by any agent (nor can an agent waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Successor Insured

If a Member dies while covered under his Certificate and his Spouse is also insured under this Plan at this time of his death, then his surviving Spouse may elect to become the primary Insured at the current Spouse Face Amount. This would include continuation of any Dependent Child coverage that is in force at that time.

To become the primary Insured and keep coverage in force, the surviving Spouse must:

- Notify the Company in writing within 31 days after the date of the Member's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Member's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following the Member's death.

Time Limit on Certain Defenses

After two years from the Member's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Member's Application. This does not apply to fraudulent misstatements.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will give the Policyholder a Certificate for each Member. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Amendment to Policy and Certificate of Insurance for Group Critical Illness

This Amendment alters the Policy and the Certificate to which it is attached. Unless specifically addressed by this Amendment, all other Policy and Certificate provisions, definitions, and other terms apply.

Effective Date

This Amendment becomes effective on the Effective Date of the form to which it is attached.

The Plan Termination provision is deleted and replaced with the following:

Plan Termination

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Members is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, or
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

The Continuation Privilege provision is deleted and replaced with the following:

Continuation Privilege

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage, without any additional underwriting requirements.

To keep your coverage in force, you must:

- Notify the Company in writing within 31 days after the date your coverage would otherwise terminate. You may notify us by sending written notice to P.O. Box 84078, Columbus, GA 31993-9102 or by calling the Customer Service number at 800.433.3036, and

- Pay the required premium directly to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Continued coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If you qualify for this Continuation Privilege, then the Company will apply the same Benefits, Premium Rate, and Plan Provisions as shown in your previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

The definition of Dependent is deleted and replaced with the following:

Dependent means your Spouse or your Dependent Child. **Spouse** is your legal wife or husband, including a legally-recognized same-sex Spouse, or a person of either gender who is in a legally recognized and registered domestic partnership, civil union, reciprocal beneficiary relationship, or similar relationship with you, who is listed on your Application. **Dependent Children** means your or your Spouse's natural children, step-children, Grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical disability, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

Children Placed for Adoption are Children for whom you have entered a decree of adoption, have initiated adoption proceedings, or are a party to a suit in which you seek to adopt the child. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

The Additional Diagnosis provision is deleted and replaced with the following:

Additional Diagnosis

Once benefits have been paid for a Critical Illness, the Company will pay benefits for each different Critical Illness when the Date of Diagnosis for the new Critical Illness is separated from the prior, different Critical Illness by at least six consecutive months.

If an Additional Diagnosis claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

The Reoccurrence provision is deleted and replaced with the following:

Reoccurrence

Once benefits have been paid for a Critical Illness, benefits are payable for that same Critical Illness when the Date of Diagnosis for the Reoccurrence of that Critical Illness is separated from the prior occurrence of that Critical Illness by at least six consecutive months.

If a Reoccurrence claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

The Proof of Loss provision is deleted and replaced with the following:

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

P.O. Box 84075, Columbus, Georgia, 31993-9103

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of the Claimant's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

The Individual Certificates provision is deleted and replaced with the following:

The Company will make available to the Policyholder a Certificate for Members. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

General Provisions

This Amendment is part of the Policy and Certificate and will terminate when that Policy or Certificate terminates, or when premiums are no longer paid for this Amendment.

However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical disability, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium, if applicable.

A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. Although underwriting falls within the definition of health care operations, we will not use or disclose genetic information for purposes of underwriting. Genetic information is defined under the Genetic Information Nondiscrimination Act (GINA).

¹ *With respect to its Health Plans, American Family Life Assurance Company of Columbus, American Family Life Assurance Company of New York and Continental American Insurance Company are affiliated covered entities (see 45 CFR 164.105).*

Family and Friends Involved in Your Care – If you are available and do not object, we may disclose your PHI to your family, friends, and others who are involved in your care or payment of a claim. If you are unavailable or incapacitated and we determine that a limited disclosure is in your best interest, we may share limited PHI with such individuals. For example, we may use our professional judgment to disclose PHI to your spouse concerning the processing of a claim. If you do not wish Aflac to share PHI with your spouse or others, you may exercise your right to request a restriction on Aflac’s disclosures of your PHI (see below).

Business Associates – Certain aspects and components of our services are performed through contracts with outside persons or organizations. Examples of these outside persons and organizations include our duly-appointed insurance agents and vendors that help us process your claims. At times it may be necessary for us to provide certain of your PHI to one or more of these outside persons or organizations.

Other Products and Services – We may contact you to provide information about other health-related products and services that may be of interest to you. For example, we may use and disclose your PHI for the purpose of communicating to you about our health insurance products that could enhance or substitute for existing Health Plan coverage, and about health-related products and services that may add value to your Health Plan.

Other Uses and Disclosures – We may make certain other uses and disclosures of your PHI without your authorization:

- We may use or disclose your PHI for any purpose required by law. For example, Aflac may be required by law to use or disclose your PHI to respond to a court order.
- We may disclose your PHI for public health activities, such as reporting of disease, injury, birth and death, and for public health investigations.
- We may disclose your PHI to the proper authorities if we suspect child abuse or neglect; we may also disclose your PHI if we believe you to be a victim of abuse, neglect, or domestic violence.
- We may disclose your PHI if authorized by law to a government oversight agency (e.g., a state insurance department) conducting audits, investigations, or civil or criminal proceedings.
- We may disclose your PHI in the course of a judicial or administrative proceeding (e.g., to respond to a subpoena or discovery request).
- We may disclose your PHI to the proper authorities for law enforcement purposes.
- We may disclose your PHI to coroners, medical examiners, and/or funeral directors consistent with law.
- We may use or disclose your PHI for cadaveric organ, eye or tissue donation.
- We may use or disclose your PHI for research purposes, but only as permitted by law.
- We may use or disclose PHI to avert a serious threat to health or safety.
- We may use or disclose your PHI if you are a member of the military as required by armed forces services, and we may also disclose your PHI for other specialized government functions such as national security or intelligence activities.
- We may disclose your PHI to workers' compensation agencies for your workers' compensation benefit determination.
- We will, if required by law, release your PHI to the Secretary of the Department of Health and Human Services for enforcement of HIPAA.

Your Authorization – Except as outlined above, we will not use or disclose your PHI unless you have signed a form authorizing the use or disclosure. Specifically, most uses and disclosures of psychotherapy notes, uses or disclosures for marketing purposes and disclosures that constitute a sale of PHI require an authorization. You have the right to revoke that authorization in writing except to the extent that we have taken action in reliance upon the authorization or that the authorization was obtained as a condition of obtaining insurance, and we have the right, under other law, to contest a claim under the plan itself.

- The following are examples of when your authorization would be required prior to use and disclosure:
 - Most uses and disclosures of your psychotherapy notes.
 - Uses and disclosures of your PHI for marketing purposes.
 - Uses and disclosures that constitute a sale of PHI.

Breach of Unsecured PHI – If Aflac or a Business Associate of Aflac causes a breach to occur that involved your unsecured PHI, we are required by law to notify you of the incident.

RIGHTS THAT YOU HAVE

Access to Your PHI – You have the right to copy and/or inspect certain PHI that we maintain about you. Certain requests for access to your PHI must be in writing, must state that you want access to your PHI and must be signed by you or your representative (e.g., requests for medical records provided to us directly from your health care provider). We must provide you with access to your PHI in the form or format requested by you, if it is readily producible in such form or format, or, if not, in a form or format agreed upon by you and Aflac. Access request forms are available from Aflac at the address below. We may charge you a fee for copying and postage. We may deny your request for access in certain very limited circumstances, such as request to access psychotherapy notes.

Amendments to Your PHI – You have the right to request that PHI that we maintain about you be amended or corrected. We are not obligated to make all requested amendments but will give each request careful consideration. To be considered, your amendment request must be in writing, must be signed by you or your representative, and must state the reasons for the amendment/correction request. Amendment request forms are available from Aflac at the address below.

Accounting for Disclosures of Your PHI – You have the right to receive an accounting of certain disclosures made by us of your PHI. Examples of disclosures that we are required to account for include those to state insurance departments, pursuant to valid legal process, or for law enforcement purposes. To be considered, your accounting requests must be in writing and signed by you or your representative. Accounting request forms are available from Aflac at the address below. The first accounting in any 12-month period is free; however, we may charge you a fee for each subsequent accounting you request within the same 12-month period.

Restrictions on Use and Disclosure of Your PHI – You have the right to request restrictions on certain of our uses and disclosures of your PHI for insurance payment or health care operations, disclosures made to persons involved in your care, and disclosures for disaster relief purposes. For example, you may request that we not disclose your PHI to your spouse. Your request must describe in detail the restriction you are requesting. HIPAA does not require us to agree to your request but we will accommodate reasonable requests when appropriate. We retain the right to terminate an agreed-to restriction if we believe such termination is appropriate. In the event of a termination by us, we will notify you of such termination. You also have the right to terminate, in writing or orally, any agreed-to restriction. Requests for a restriction (or termination of an existing restriction) may be made by contacting Aflac at the telephone number or address below.

However, we are authorized by law to refuse to honor any request to restrict disclosures for treatment, payment or health care operations. Nonetheless, we will comply with a restriction request if (i) the disclosure is to the Health Plan for purposes of carrying out payment or healthcare operations, except as otherwise required by law, (ii) the PHI relates solely to a health care item or service for which the healthcare provider involved has been paid out-of-pocket in full.

Request for Confidential Communications – You have the right to request that communications regarding your PHI be made by alternative means or at alternative locations. For example, you may request that messages not be left on voice mail or sent to a particular address. We are required to accommodate reasonable requests if you inform us that disclosure of all or part of your information could place you in danger. Requests for confidential communications must be in writing, signed by you or your representative, and sent to Aflac at the address below.

Right to a Copy of the Notice – You have the right to a paper copy of this Notice upon request by contacting Aflac at the telephone number or address below.
