

## AA Flight Service Field Support HDQ

On behalf of Flight Service Field Support, we welcome you back. While we are very excited to get you back on payroll, we are even more excited to get your uniform up to date. Due to the high demand on the new blouses we are trying to get a count so we can reserve the sizes that will be needed. The new female blouses are a more fitted style so we need your measurements according to the chart below. Be sure to include your height. Please send this form back with your acceptance letter.

*FYI: Men's sizes have remained the same but you may now choose the current shirts in a striped fabric.*
