PERSONAL STATEMENT:

As your Vice President for almost a year, I feel I have started to understand the role and the duties of a union rep. I have learned many things in this short time, and that has given me plenty of insight into how to do the best possible job as your President. Bob Adamo will be running as my Vice President, and as a team, we will be strong advocates for the Boston base and its flight attendants. I desire to be a leader that you can trust and rely on. I am always learning and will tell you when I do not have the correct answer to the issue. However, I will do everything in my power to find it. I am a huge believer in communicating to the membership, and will always keep those lines of communication open. I would like to see the flight attendants at our small base get more involved and help with the process of moving forward. I started my career with American Airlines as a flight attendant based in Boston, but did leave for Chicago in 2004, where I was based for eight years. My entire time in Chicago was as a commuter. I have been on reserve almost my entire career and so understand the frustrations that come with it. I know what it is like to be a "junior" flight attendant, although I have been here over 22 years. I feel all of these experiences have helped me understand the diversity that makes up our work group. I am not going to promise you miracles, only that I will do what is in my power to work diligently for the Boston base.

In Unity,

Amy

PERSONAL STATEMENT:

My dedication, commitment and loyalty to the Boston International Flight Attendants have been proven over the years. I have served in the capacity of Base Vice President and Base President respectfully. I have pursued many issues for the base, as a group and individually.

As we prepare for a planned merge of the domestic and international operations in May, APFA is also consolidating the Board of Directors and decreasing its size from 20 to 14 Board Members. Most important to us, the Flight Attendants at Boston, is the decrease of our vote on the Board of Directors from TWO to ONE. Now, more than ever, it is of the utmost importance THAT ONE VOTE is always cast by a person with a proven track record of listening to his members and respectful of the democratic process even when others at APFA are pressuring both you and me to vote the way THEY think is best. A person who is not afraid to do what is right. I am that person.

Meghan Corrigan (Mitchell) is my running mate and it will be an honor to work with her again. Many of you share the same opinion as I do; Meghan is intelligent, knowledgeable, respectful and professional. She is someone I absolutely trust 100%.

Thank you to those who asked and agreed to serve as references on my willingness-to-serve. Because Flight Attendants interpret the meaning of references in many different ways, we have decided not to use references. Sometimes references can cause division and that is not our goal as we are not running based on politics. We are running to work for the combined Boston base and with your VOTE; we will be an influential voice on the Board of Directors.

PERSONAL STATEMENT:

I am pleased to announce my decision to run for Vice President for our Boston base. I am running with Eugenio Vargas. I was his Vice President from April 2007 until October 2009, when I was rified to domestic. I see the immediate need for action in this election for our voice has been halved. I know from experience that Eugenio is the voice that the constituency needs. I have witnessed first-hand his compassion, loyalty, intelligence, and desire to do what is right in all situations. I hope to live up to his stature and serve every one of you in the next part of this journey.

Thank you for all of the support I've received and to those who wanted to serve as references on my willingness-to-serve. In all three elections together, Eugenio and I have chosen not to use references. Although we appreciate the support, we do not want to put others in a situation that may cause divisiveness among our united body of flight attendants. Thank you for your support as we seek your vote to be your voice for Boston.
