As your President, my dedication to you is true and unwavering. It is nothing less than a privilege and honor to "serve" my fellow flight attendants at Raleigh Durham. RDU is unique in size with a big reputation for being professional hardworking flight attendants. When I stepped up to serve the membership, it was from a place of willingness to advocate for my colleagues. I lead by example. My moral compass and principles will guide me as I navigate through my term.

I have worked hard over the years to provide strong Union representation for this base, and as our job is a 24/7 365 operation, I will continue to provide that kind of representation.

Transparency, advocacy and honesty are what you expect from your leadership and that is what I live by in serving you, our membership. If you vote for me as your president, I will continue to provide integrity, calm, and confidential leadership.
