**Re: BOS Commuter Parking**

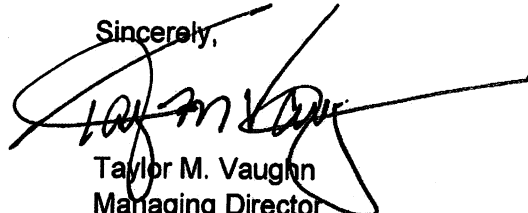

Dear Marcus,

This will confirm the understanding and agreement between the parties with respect to BOS commuter parking. Due to the unique circumstances related to the BOS parking facilities and the collaborative approach taken by the parties to address the situation, the Company has agreed to the following:

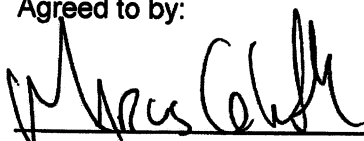

Flight Attendants who commute out of Boston Logan International Airport to another Flight Attendant Crew Base for work, shall be reimbursed for BOS parking expenses, with receipts, up to the amount that the Company is charged each month for BOS based Flight Attendants (currently \$100). The normal reimbursement administrative procedures shall apply.

It is understood that the provisions of the AA/APFA Collective Bargaining Agreement, except as specifically modified by this letter, shall remain unchanged and shall apply in all respects. Further, this agreement shall not serve as a precedent for any other matter.

Sincerely,

  
Taylor M. Vaughn
