Dear Laura:

As a result of discussions during negotiations for the Joint Collective Bargaining Agreement, the parties agree the following provisions from the US Airways Flight Attendant Agreement dated February 28, 2013, will remain in effect:

Section 25, Leaves of Absence/Approved Time Off, Paragraph M.2.

Flight Attendants commencing applicable leaves under the East collective bargaining agreement prior to June 1, 2005, may continue medical and dental insurance benefits by continuing to reimburse the Company, on a monthly basis, the equivalent of the group rate.

Section 9, Sick Leave, Paragraph C.1.d.

On February 28, 2013, all Pre-Merger America West Flight Attendants will be eligible for Short Term Disability (STD) benefit coverage for a period of two (2) years, ending on February 28, 2015, in addition to the sick leave accruals as provided for in Section 9, Sick Leave, Paragraphs C.1.a-c. The STD benefits provided will be consistent with the current Pre-Merger America West Flight Attendant plan. As an exception, STD benefits will cease after one hundred twenty (120) days of disability concurrent with eligibility for Long Term Disability (LTD) benefits. Each Pre-Merger America West Flight Attendant shall retain the unused portion of her/his current year sick leave grant, as well as her/his sick leave grant from the previous year minus actual usage.
