PERSONAL STATEMENT:

It's no secret, management has waged a war against the humane aspects of our job! Punishing you for being sick when NY State law prohibits it? Not under my watch. Asking you deeply personal question about your health and well-being? I'll see to it that there are consequences for violating your HIPPA protections. Contract violations, crew scheduling lying to you, managerial harassment... Your APFA representation is fundamentally your legal team to protect you from injustices here at American. Protection that are crucial to maintaining your livelihood!

As a base council representative, I have saved countless jobs with my understanding of the legal and ethical principles by which this company is bound. APFA has the resources and information to effectively push back against what is occurring today.

What we need, what I intend to bring, is an organisation and preparedness. Together, we will turn the NYC base into a fortress of humanity and job protections for every single union member.

When we stand together with contractual understanding and protections, no malicious agenda can ever be an insurmountable odd. With 25000 voices together as one, what will be heard: "We will take, No More!"

My name is Neosho "Neo" Pivo, and I ask that you trust me to get our base back on track as your Base Vice President!

PERSONAL STATEMENT:

I have the honor of currently serving as a Base Council Representative in LGA, and have the desire and determination to keep advocating for all of you in a bigger capacity. After being based at 4 bases in the system, I can truly say that LGA is the BEST base in the system. I have only been flying for 5 years but, my call to activism blossomed while being based here with all of you magnificent people. It is imperative for junior flight attendants like myself to get involved and show that we are able to fight the good fight as well as any other person, and running for LGA Vice President is exactly how I'm doing that.

I have the determination of supporting the Base President. I pledge that if elected, I will make it my utmost priority to defend, uplift, and support every single one of you at this base to the best of my ability. We are at the peak of contract negotiations, and this comes with tactics from management that are quite frankly unacceptable. NOW more than ever we need to stand together in unity! NOW more than ever we need to support our local base council. NOW more than ever we need to mobilize and let the company know we are not just a number! WE DESERVE A CONTRACT NOW!

A vote for Nathanael Reynoso-Jiménez is a vote for someone who is going to hold management accountable. A vote for Nathanael Reynoso Jiménez is a vote for someone who is going to fight for YOU!
