**PERSONAL STATEMENT:**

As a Base Council Representative, I have dedicated myself to advocating for Boston Flight Attendants. I have gained much knowledge from union leaders about holding the company accountable. I aim to make the Boston Base and our union a place where members are supported and valued while we unite against corporate greed. We are far stronger together than we are apart. I'm deeply committed to meeting the needs of all BOS FAs, ensuring that each of you feels prioritized and cared for while being a voice for our members to advocate for the respect we deserve. As Vice President, I am prepared to continue these efforts on day one, serving alongside Kelli Powers and protecting our flight attendants by upholding the JCBA and pushing for change.
